

Star Stuff From Chemical Evolution by Melvin Calvin

Respect thyself, lest thy respect be unworthy to give.
Order thy days, lest thy loved ones be ensnared in thine own confusion.
Honor the wisdom of thy heart by the quiet of the hour of its borning.

Reflect, for thou art a part of all men, of all life, of all matter of all of the stars and
the voids of eternity.

Then only can the beautiful and awesome order, which is your being, give to your
span of days that small new goodness, or wisdom, or beauty which determines
tomorrow.
